** On behalf of the Group of Latin American and Caribbean States.

Reaffirming its resolution 46/36 F of 6 December 1991 and 47/52 G of 9 December 1992 on regional disarmament, including confidence-building measures,

Mindful of the provisions of Article 11 (1) of the Charter of the United Nations stipulating that a function of the General Assembly is to consider the general principles of cooperation in the maintenance of international peace and security, including the principles governing disarmament and arms limitation,

Bearing in mind that the changed international environment has created new opportunities for the pursuit of disarmament, as well as posed new challenges,

Taking note of the report of the Secretary-General containing the steps taken to strengthen the Centre for Disarmament Affairs, 1/

Convinced that the initiatives and activities mutually agreed upon by Member States of the respective regions aimed at fostering confidence, as well as the implementation and coordination of regional activities under the United Nations Disarmament Information Programme, would encourage and facilitate the development of effective measures of confidence-building, arms limitations and disarmament in these regions,

Welcoming the programme of activities carried out by the regional centres, which have contributed substantially to understanding and cooperation among the States in each particular region and have thereby strengthened the role assigned to each regional centre in the areas of peace, disarmament and development,

Taking note also of the views on the regional centres contained in the report of the Secretary-General on the Advisory Board on Disarmament Matters, 2/

Recognizing the need to provide the regional centres with financial viability and stability so as to facilitate the effective planning and implementation of their respective programmes of activities,

Expressing its gratitude to the Member States and international governmental and non-governmental organizations and foundations that have contributed to the trust funds of the three regional centres,

1. Commends the activities being carried out by the regional centres in identifying and broadening the understanding of pressing disarmament and security issues, and exploring optimum solutions under given specific conditions prevailing in each region, in accordance with their mandate;

2. Encourages the regional centres to continue intensifying their efforts in promoting cooperation among the States in their respective regions to facilitate the development of effective measures of confidence-building, arms limitation and disarmament, with a view to strengthening peace and security;

1/ A/48/358.

2/ A/48/325.

3. Encourages also further use of the potential of the regional centres to maintain the increased interest in and momentum for revitalization of the Organization to meet the challenges of a new phase of international relations in order to fulfil the purposes and principles of the Charter of the United Nations related to peace, disarmament and development, taking into account the guidelines and recommendations for regional approaches to disarmament within the context of global security as adopted by the Disarmament Commission at its 1993 substantive session;

4. Appeals once again to Member States, as well as to international governmental and non-governmental organizations and foundations, to make voluntary contributions in order to strengthen the programmes and activities of the regional centres and their effective implementations;

5. Requests the Secretary-General to continue to provide all necessary support to the regional centres in carrying out their programme of activities;

6. Requests the Secretary-General to report to the General Assembly at its forty-ninth session on the implementation of the present resolution;

7. Decides to include this item in the provisional agenda of its forty-ninth session.
